Normal tissue fluid levels are essential for maintaining comfort in spite of everyday strains, overexertions and other trauma that may occur to muscles, tissues and tendons. Only Cerise Joint & Muscle Comfort offers the synergistic effect that comes from deeply penetrating emu/kalaya oil – high in Omega 3, 6 and 9 fatty acids – and 100% natural tart cherry concentrate. These two ingredients are designed to assist your body in maintaining joint mobility, flexibility and comfort with continued use. Hypoallergenic, noncomedogenic and non-greasy, Cerise Joint & Muscle Comfort absorbs instantly and will not clog pores. Recommended in combination with Cerise Total Body Rhythm Capsules.
